Random checks of entrants documentation and vehicles may be carried out prior to and during the event. Your Motorsport Australia Competition Licence, current Club membership and vehicle logbook must be produced on request from officials during the meeting.

#### 8. DRIVERS' BRIEFING and SIGN ON

All drivers must attend a compulsory Drivers' Briefing on Saturday at 8:00am. Drivers are required to assemble outside in the open (near scrutineering bay) whilst maintaining social distancing protocols and the briefing will be held over the circuit PA system. Failure to attend this briefing may result in penalties as defined in the Standing Race Regulations or further penalties as may be decided by the Stewards.

Following the Drivers briefing all drivers will be required to sign on. Race Category Representatives or Regularity Team leaders will circulate the pits with the appropriate sign on sheets and wrist bands following the drivers briefing. First time drivers must report to the Clerk of Course following the Drivers Briefing.

## **9. ELECTRONIC TIMING**

All vehicles will require a Dorian Data-1 timing transmitter to be fitted prior to the commencement of practice. **Competitors who have hired a transmitter will be issued one at the Race Office.** It is also the responsibility of the competitor to return the transmitter to the Race Office at the end of your last event.

## **10. COMPETITION PROCEDURES**

### **10.1. Qualifying**

Qualifying is required by all Race drivers, and Practice for all Regularity drivers. If for exceptional reasons you are unable to practice you must see your Group Leader & Clerk of the Course and present your case.

### **10.2. Grid Positions**

Unless otherwise stated elsewhere in these regulations, Further Regulations, Motorsport Australia WA Motor Race Championship Sporting Regulations or Motorsport Australia WA Historic Motorsport Championship Sporting Regulations, grid positions will be determined as per Motorsport Australia Circuit Race Standing Regulations.

### **10.3. Determination of Regularity Lap Times**

Drivers are requested to nominate a lap-time on the Entry Form to determine your practice grid position. Practice is intended to give the driver the opportunity to determine the lap time they are comfortable doing and are able to replicate during the event. The practice session lap times will be used to determine your allocated lap time and grid position for the event. If Drivers want to adjust an allocated lap time you must contact your Group Leader prior to the first event who will seek approval from the Clerk of the Course.

### **10.4. Minimum Lap Times (Regularity)**

"Fastest" Lap Time for any car = 75 seconds or 1-minute 15 seconds. Please note: The Organisers reserve the right to change the above times in accordance with Motorsport Australia Regularity Trial – Standing Regulations, Article 4 and 5.

### **10.5. Starting Positions**

All races will be standing starts and follow the procedure outlined in the current Motorsport Australia Circuit Race Standing Regulations or as determined in the relevant Category Regulations.

Regularity will be rolling starts with starting order / grid positions to be determined by driver practice times, or as otherwise directed by Grid Marshals.

### **10.6. Rolling Start Procedure (Regularity)**

The starting order / grid positions for Regularity events will be listed on the noticeboard in the clubrooms, or as otherwise directed by Grid Marshals throughout the event.

Competitors will assemble in the dummy grid area in the pre-determined order and, upon direction from the marshals; the cars will enter circuit for a warm-up lap behind the Safety car during which overtaking is prohibited. In practice and for each event a Safety Car will lead the field out from the dummy grid and the last car will be followed by a Sweep Car.

The Safety Car will exit the circuit at the Pit Entry, THIS IS NOT THE SIGNAL TO START THE EVENT. The pole position driver will keep the field moving slowly, closed up with all drivers maintaining a 2 x 2 formation until the start/finish line. The events are rolling starts, NOT flying starts and do not start until you cross the start/finish line. The field will remain closed up, and overtaking is not permitted until you have crossed the start/finish line.

Any competitor deemed to be in breach of this procedure may be charged by the Clerk of the Course and an appropriate penalty applied.

## **11. COMPETITION APPAREL (Regularity)**

Each driver must wear apparel in compliance with Schedule D of the Motorsport Australia Manual– General Requirements. In addition to apparel compliant with Schedule D, the VSCCWA requires that all drivers wear non-flammable gloves.

All drivers must wear a helmet. The use of a full-face helmet complying with AS 1698 or BS 6658-85 Type A, A/FR is highly recommended for open vehicles.

Frontal Head Restraint: Not mandatory, however a FHR device complying with FIA 8858-2010 or 8858-2002 is highly recommended. If the competitors helmet is fitted with FHR posts, complying to FIA 8858 2004 or FIA 8858-2010, then it is strongly recommended that a FHR device is used in conjunction with a compliant harness for all Regularity events.

## **12. ELIGIBLE VEHICLES (Regularity)**

All competing vehicles must comply with the provisions of the eligibility requirements as defined in Motorsport Australia Manual of Motor Sport - Speed - Regularity Trial – Standing Regulations, these Regulations and any Further Regulations applicable to the Event.

Each vehicle entered shall comply with Schedule A and B of the Motorsport Australia Manual – General Requirements.

Historic Vehicles may include any vehicle of a type suitable for inclusion in the 5th Category. Where a vehicle is the subject of a Historic log book, it shall comply with that log book. A replica 5th Category vehicle may be accepted provided it is clearly listed and identified as such on the entry form.

## **13. REFUELLING**

Competitors should note that there is no fuel for sale at the venue. Refuelling will be allowed in pit bays under the following conditions, the vehicle ignition is switched off, there is an assistant standing by with a fire extinguisher and the Competitor is outside the vehicle. Fuel must be in accordance with Schedule G of the current Motorsport Australia Manual.

## **14. RESULTS & PROTESTS**

Provisional Results will be available on the Natsoft website or event noticeboard as soon as available.

Confirmed results will be published on the participating Clubs newsletters and web-sites.

Protests must be lodged in accordance with the NCR.

## **15. JUDGES OF FACT AND FACTS TO BE JUDGED**

Any Driver who:

(a) Cuts corners, or

(b) Dislodges corner markers, or

(c) Sprays quantities of dirt or gravel on the racing surface may have five seconds added to the time for the lap/run that the incident takes place on. Furthermore, Drivers who persist in such behaviour may be excluded from further competition.

(d) Breaches the starting procedures

The Clerk of the Course and Drivers Standards Observer shall be Judges of Fact for such incidents.

## **16. POSTPONEMENT, ABANDONMENT, CANCELLATION**

The organizers reserve the right to postpone, abandon or cancel the event in accordance with the NCR's. Should the event be cancelled due to circumstances beyond the Clubs control, in particular relating to Government imposed restrictions, the Club reserves the right to withhold a percentage of the refund to cover costs.

## **17. AWARDS**
